From the Commodore

Guillermo or "Wills" (or "Argie 4" as Jeff Morrison has nicknamed him) has arrived from Argentina— a bit jet lagged last night. His English is wonderful, as he tells me he spent from aged 2 to aged 6 years old living in the USA.

He is out today on the water with our advanced juniors who have a very short time to the P and Starling Nationals. We will have 9 sailors at the P and Starling Nationals, 4 P sailors and 5 Starling Sailors and we wish Charlotte Corston well as she is representing Canterbury in the prestigious Tanner Cup.

Jayvee Buchanan of course won't be able to attend the Nationals and defend his National Title as he will be competing on an even larger stage – the world optimist competition, and we wish him all the very best for this.

Wills will be coaching every day up to Christmas – late tides, and from 26 December through to 29 December there are really good tides during the day so if you or your children want coaching contact Brenda Nightingale 027 3332406 or Kathy Basire 0276343839 (home phone numbers in the CYA handbook).

Wills will be travelling to the P and Starling Nationals on 30 December arriving back on 9 January. Agustin will be arriving on 8 January. Again if you want coaching in January contact Brenda or Kathy. Please find the major dates attached but note coaching will be slotted in where possible, as it's often possible to fit more than one group in one day – just phone us.

Unfortunately we have had a break in at the Club recently. If anyone has any information about this (the culprits may be local) please do not hesitate to call me.

Merry Christmas to you all and I hope you have a lovely festive break

Break in

Further information. The robbery occurred on Friday night at 12 midnight and a considerable amount of alcohol was taken.

Who ever it was, was relatively strong (broke the door) and they drove down to the club via the concrete driveway.
